HOW WE USE YOUR DATA

Use data to improve Discord

This setting allows us to use and process information about how you navigate and use Discord for analytical purposes. For example, it allows us to include you in new feature experiments we test. Learn more about it here.

Use data to customise my Discord experience

This setting allows us to use information, such as who you talk to and what games you play, to customise Discord for you. Learn more about it here.

In-game rewards (aka Drops) BETA

Use the information about what games you play to tell you about Drops opportunities and to complete Drops Quests.

Drops is currently in beta – we'd like to learn more about why you turned it off. Feedback Survey
